04.12.22:

I launched my new website!
You can get to the old site via the button at the bottom right of the home page!

17.9.22:

A new Minecraft-Plugin(Ping-Plugin)!
It is a plugin to display the pings!
The download is on the Githubpage!

16.9.22:

A new version of the Prefix-Manager(0.1 –> 0.5)!
The download is on the Githubpage!
